Dear Mr. Allender

Over the past two years as a loyal member of the South Wales Centre, you well know things have been very difficult for the Centre and its Officials.

In response to a request from the Committee, it was decided at the last Council Meeting to suspend the activities of South Wales Centre as from 31 December 1981, until such time as an activity can be found that will regenerate interest in the Centre.

In the meantime you may like to join one of the other Centres and naturally your fee will carry forward until the renewal date of your membership subscription. The Centres in your area are South West or North West.

In conclusion I need hardly tell you it was with a heavy heart that the Council came to this decision, as our Welsh friends have always organised extremely good Hillclimbs and other events.

We look forward to hearing from you in the future.

Yours sincerely

Sidney L Offord
